

## What is Sedex?

Sedex ([www.sedexglobal.com](http://www.sedexglobal.com)) is a global not-for-profit membership organisation making it simpler to do business that's good for everyone. It is home to one of the world's largest collaborative platform for sharing data on value chains, used by more than 50,000 members in over 150 countries.

For over fourteen years Sedex has been developing technology, tools and partnerships that enable many of the world's leading brands, and suppliers across the world, to monitor and report on responsible practices. Sedex also convenes the Sedex Stakeholder Forum, the group who oversee SMETA, the globally-recognised audit procedure used by thousands to check on a broad range of indicators for responsible business.

## Being a Sedex Member

**Elite Maintenance & Installation Services Ltd** is a member of Sedex ([www.sedexglobal.com](http://www.sedexglobal.com)). Sedex is home to one of the world's largest collaborative platform for buyers, suppliers and auditors to store, share and report on information quickly and easily. The platform is used by more than 50,000 members in over 150 countries to manage performance around labour rights, health & safety, the environment and business ethics.

Sedex is not a standard setting body and doesn't approve or certify our policies and standards. Instead, being a member of Sedex is a sign of **Elite Maintenance & Installation Services Ltd.**'s willingness to share information and to use this information to help manage and improve ethical standards within the supply chain.
